HOW TO BUY USED EQUIPMENT

GENERAL

Make a refundable deposit to FootPrints Equipment, Inc. FootPrints Equipment then will release the company name and phone number to you of the seller of the equipment you have interest. You then speak to the owner of the equipment and explore all positive and negative possibilities to your own satisfaction.

SPECIFIC

Items under \$3,000 in value may be shipped with your "Right of Return" via UPS, provided this clearly understood before the item is shipped. Under "Right of Return", you will pay freight both ways.

Items over \$3,000 may in many cases be inspected by the manufacturers representative or independent service technician of your choice, who will then call you and discuss the equipment in general. When this is not available you must fly to see the equipment yourself.

Conditions of Sale

All purchases are for CASH, and ALL equipment is purchased without warranty on an "As-is, Where-is, Without Any Guarantees Expressed or Implied" basis, unless otherwise stated in the form of a written warranty. Equipment is shipped by UPS or Air Ride Van Lines whenever possible. Freight and Insurance costs are Pre-Paid by the buyer of the equipment. Requests for crating and/or other special handling will be charged to the buyer accordingly.

Symbols used in the catalog for equipment location:

FP = Warehouse	Everett, Washington (state)
CW = Western Canada	British Columbia, Yukon, Alberta, Saskatchewan
CE = Eastern Canada	Manitoba, Ontario, Quebec, New Brunswick, Nova Scotia
PC = Pacific Coast	WA, OR, CA, AK, HI
RM = Rocky Mountain	MT, ID, WY, NV, UT, CO
SW = South West	AZ, NM, OK, TX
MW = Midwestern	ND, SD, NE, KS, MN, IA, MO, WI, IL, MI, IN, OH
SO = Southern	VA, KY, TN, NC, SC, GA, AL, FL, LA, MS, AR
NE = North East	MD, DE, WV, NY, PA, NJ, ME, VT, NH, MA, CT, RI, DC

Note** Other countries may be related to the USPS standard for two digit abbreviations.

Photo Lab Appraisal

Why have a Photo Lab Appraisal Performed?

- | | |
|---------------------------|--|
| Sale of Business: | <i>Knowing the current value of your equipment will help in determining a fair market value of the business.</i> |
| Bank Loan/Line of Credit: | <i>In order to establish or increase credit line a current appraisal may be needed.</i> |
| Insurance: | <i>A recent appraisal of the value of equipment can be a powerful tool in the case of an Insurance loss</i> |

\$2,800 plus Expenses
